New Ocean Yachts N95 "Lady Eileen II (Demonstrator)"

Model:	N95	Engine Model:	C32 Accert
LOA:	95'	Hull Material:	FG
LWL:	26.05	Fuel Capacity:	4000 S Gallon
Beam:	6.86	Water Capacity:	600 US Gallon
Draft:	1.70	Holding Capacity:	150 US Gallon
Engines:	Caterpillar	Max Speed:	22
Engines HP:	1800	Price:	US\$ 6,500,000(Tax Not Paid)

This exceptional new custom motor yacht was delivered in Singapore from New Ocean Yachts of Taiwan in October 2007.

New Ocean Yachts Co., Ltd. is based in Kaohsiung, Taiwan in a fully purpose built shipyard on two separate sites. The yard has extensive backing and is headed up by qualified Naval architect Jason Kao who's experience stems from many years working with the industry leaders such as Horizon, KhaShing, Monte Fino and Hargraves to name a few.

Built to exacting quality standards (Construction to BV (Bureau Veritas) quality control) to an exceptional specification this yacht has set the standard others are already seeking to emulate.

The spacious layout and design of the yacht provides spacious accommodation and facilities often only available in much larger yachts. Exquisite interior design compliment the high quality engineering and build quality that makes this yacht truly desirable.

With the latest electronics and a state of the art entertainment system this yacht makes a memorable statement.

Additional Specs, Equipment and Information:

Builder/Designer

Builder: New Ocean Yachts

Dimensions

LOA: 95'

LWL: 26.05

Beam: 6.86

Displacement: 165 Ton Gross

Draft: 1.70

Engines

Engine(s): Caterpillar

Engine(s) HP: 1800

Engine Model: C32 Accert

Hours: 150

Cruising Speed: 17/18

Max Speed: 22

Tankage

Fuel: 4000 S Gallon

Water: 600 US Gallon

Holding: 150 US Gallon

General

CONSTRUCTION TO B.V. (BUREAU VERITAS) QUALITY CONTROL

KEVLAR COMPOSITE (2 LAYERS) IN HULL BOTTOM

AMAZING QUALITY, SPECIFICATION AND ATTENTION TO DETAIL

- " 8 berth in 4 guest cabins (3 double and 1 twin)
- " 4 berths for crew (2 cabins + crews mess)
- " Raised Pilot House
- " Huge Country Kitchen galley
- " Exquisite wood veneers throughout
- " Amazing Fly Bridge with Jacuzzi
- " Flat screen TVs throughout
- " Separate deck level day head
- " All cabins (including crew) with own ensuite bathrooms
- " Fully stabilized
- " 2 Bars
- " Service lift to Fly Bridge
- " Kevlar Composite to hull bottom
- " Spacious Saloon and large Dining table
- " Satellite TV and Telephone
- " Kaleidescape server based entertainment to all guest areas
- " Latest Caterpillar C32 Accert (fuel saving) engines
- " Jet Ski Garage with Yamaha Jet Ski

Salon

- Ultra leather or Alcantara with recessed soffit design type ceiling.
- Wall in high gloss varnish wood.
- Carpet floor over teak & holley sole.
- High gloss furniture.
- Interior decoration as per layout drawings
- Norcold DE351 Refrigerator and Raritan B195TP ice maker within
- salon bar.
- Salon bar with glass & bottle storage.
- Stainless Steel candy twist bar stools (3).
- TV & Telephone sockets.
- 46 LCD Sony Full HD TV.
- Entertainment centre with Kaleidescape media server (stores up to 500
- full quality DVD / 5000 CDs which are distributed to Salon / guests
- cabins via onboard network).
- Adjustable Ceiling / Wall lighting.
- Secluded lighting to soffits.
- Tinted glass for windows / aft deck entrance.
- One dining table with dining chairs for 8 persons.
- Air Conditioned interior.
- Sofa & coffee tables as per layout drawings.
- Automatic operation of stainless steel door to aft deck.
- Dumb waiter to fly bridge (from salon bar).
- Separate air-conditioning for saloon and dining areas.
- Roman Blinds with Swag detailing.
- Yamaha 5.1 Theatre sound system.
- Ipod hook up to sound system.

Galley

- Marble with stainless steel strips for galley floor.
- Alcantara ceiling liner.
- Blanco sink & faucet.
- 220v/50hz sockets.
- Ceiling lighting.
- Natural granite counter top with round bull nose
- Cabinet, plumbing and wiring for galley appliance including Kitchen
- Aid Stainless steel stove, cook top, GE microwave, SUB ZERO Professional
- glass door refrigerator / freezer. Kitchen Aid dishwasher and
- trash compactor.
- Air conditioning.
- LCD TV opposite dinette.
- Large leather dinette.
- Kitchen Aid Wine refrigerator.
- Kitchen Aid warming drawer.

Accomadation (Guest)

- MASTER SUITE
- OTHER GUEST CABINS
- (2 Queen & 1 Twin)

- Ceiling in Alcantara or ultra leather with lacquered or wooden recessed
- type ceiling and lighting around.
- Walla & furniture in Birds Eye Maple.
- King Size bed with mattress
- Bose home theatre stereo with DVD player & speakers
- Kaleidescape Player
- Spacious layout.
- Two reading lamps
- LCD 32 inch TV
- 220v sockets
- Walkin wardrobe with light, shelves and drawers for storage
- Carpet for cabin sole over teak & holly
- Shaped Sofa with storage space under
- Vanity desk with chair
- Air-conditioning
- With digital control
- Large Vision portholes (3 per side)
- Marble to tops of night stands
- Telephone
- Network point
- Ample stowage
- Display cabinets
- Vanity chest with mirror
- MASTER BATHROOM
- Mirror ceiling in head
- Sealand Vacuum toilet and bidet
- Double sink with granite tops
- One shower room with marble wall & ceiling,
- Grohe Faucet for each sink and shower accessories
- Jacuzzi tub
-

- Ceiling in Alcantara with lighting per design
- Walls & furniture in chosen wood
- Queen size bed with mattress for STBD cabin, twin single beds with
- mattress for port guest cabin
- Reading lights
- Portholes with curtains
- Wardrobe with light
- Night stand table with drawers (Marble tops)
- TV Cabinet with power outlet and antenna cable for both guest cabins
- 26 inch Sony LCD TV
- Kaleidescape player
- Air Conditioning with digital control

- Chrome / Polished brass bathroom accessories like towel holder, soap
- holder, glass holder and hook
- Sealand Vacuum toilet
- FRP floor with teak grating in head
- Exhaust fan in head
- Mirror ceiling in head

Engine & Drive Train

- Twin Caterpillar C-32 Acert Diesel engines (1825mhp) with ZF transmission.
- Engine alarm system for low oil pressure and high temperature.
- Dual Racor filter (model 73/1000MA) fuel filters / water separators for each main engine.
- Two sets of Diesel generators with sound shields and water separator
- exhaust muffler
- Onan 40KW & 25 KW.
- Under water exhaust system.
- Stainless steel propulsion shafts.
- Nibral 4 Blade propellers.
- 2 each x groco PSR (one ac220v & one 24v) water pressure pump with
- one tank PST-5.
- Holding tank for heads with indicator for helm station.
- Fresh water fitting for filling engine and generator expansion tanks.
- Sound insulation for engine room.
- Engine room AC lights & DC lights.
- Reverse oil exchange pump with plumbing system for main engines
- and gensets.
- Fuel transfer plumbing system with transfer pump.

- Bronze A type struts.
- Easy accessible shaft logs with drip less seals.
- HPS hydraulic bow thruster model 16SHT 36hp.
- Hydraulic power steering system with Simrad autopilot.
- Stainless steel rudder assembly.
- Well planned engine room.
- Working bench in engine room with sink.
- Delta T engine compartment blowers.
- 30 gals water heaters (2).

Hull

- Deep V hull bottom with longitudinal stringers and transverse frame system.
- Fiberglass hand laid molded hull.
- Composite fiberglass reinforced plastic hull & deck construction.
- Foam core construction for side shell of hull.
- Main hull bottom constructed by solid fiberglass and partial area by PVC core structure.
- PVC core structure with strength reinforcement beams for main deck and deck house.
- All stiffening ribs are top-hat section fiberglass channels.
- Stainless steel portholes per general layout plan.
- Three water tight doors access to side deck.
- Heavy duty FRP reinforced rub rail with stainless steel top strips at hull side and around the swim platform.
- Two layers of Kevlar composite fiberglass for hull bottom
- HULL & DECK FITTINGS:
- Oval shape heavy duty 2 stainless steel 316 alloy handrails.
- (6) 12 air fenders.
- 316 stainless steel cleats and chocks on FWD deck, Port & Stbd side deck and aft deck.
- Stainless steel anchor pockets with stainless steel bow protector plates.
- Danforth type Stainless Steel anchors 80Kgs (2).
- Maxwell VWC3500 Hydraulic windlass (2).
- 300 ft ½ high tension chain (2).
- Chain stripper & chain stopper.
- Remote windlass operation from bridge and foot switches on bow deck
- Deck wash down system with outlets for fore, aft deck.
- Kahlenburg T3 CH Air horns with M511A control.
- Built in shower with hot & cold water at transom.
- 10mm laminated tinted glass for front curved windscreen.
- 6mm tinted tempered glass for side windows.
- Aqua signal navigation lights model #55.

- Flood lights (2) at transom area.
- Stainless steel with teak treads and access top hatch in aft deck for access
- to fly bridge
- ACR 100 Remote Searchlight (2) mounted port / starboard
- ACR 500 Remote searchlight on radar tower
- Stainless Steel mounted Ships bell

Flybridge

- Helm console with dashboard and all instruments for main engine controls.
- Passenger seating with cushions and table.
- Storage lockers.
- Wet bar with sink, faucet and U Line ice maker / refrigerator combo unit.
- Teak Laid deck.
- Hard Top with radar mast.
- Tinted lexan windshield with stainless steel frames.
- Radar Arch.
- 2 removable U rails along the side and aft of boat deck for safety.
- Custom made helm console with stainless steel framed glass cover for instrument dashboard.
- Canvas cover for helm console and deck seats.
- Nautical structure EZ2500 Davit..
- 3 Leather helm seats

Plumbing

- PVC fresh pressured water piping system, color coded for hot and cold water.
- Stainless steel pipe for diesel.
- FRP holding tank with macerator pump, outboard thru hull and deck fittings for discharge.
- Electrical bilge pump with automatic switch at each compartment.
- Manual bilge pump in engine room.
- Fresh water deck wash down & salt water deck
- A set of Grohe euro plus chrome / polished brass faucet and shower accessories for each bathroom.
- Sea-Land vacuum toilet system with M pump.
- Instant Hot water circulating pump.
- Twin electrical water heaters / storage tanks (option to heat water from engines (when running)).
- Automatic tap in day head.
- Soap dispensers in all heads.

wash down pump system.

- Bronze sea cocks and thru hull fittings.
- (3) Sump tanks with sump pump in each tank.

Electrical Systems

- ELECTRICAL SYSTEMS
- 220v / 50 Hz Single phase electrical system..
- Twin Onan 45 & 25 220v/50 Hz single phase generators
- with sound shields.
- Shore telephone inlet.
- Shore power inlet (2) 50amps
- Glendinning cable master CM7 with 125ft cord in white (2 sets).
- Dolphin battery chargers (2).
- Battery power management system with select switches.
- AC power source management system with switches on main panel.
- Boat indicator panel with indicator lights for running indication of
- Navigation lights / Bilge pumps) and high bilge water level alarm.
- Round type Terrestrial TV antenna.
- Vimar 220v duplex receptacles located throughout inc engine room.
- Vimar duplex light switches.
- Color coded wiring for easy identification.
- Lead acid batteries 4 x 200 AJ for engine starting, 8 x 200AH for
- service.
- Separate 120AH batteries for each generator starting.
- Main electric panel includes separate AC power control and AC circuit
- breaker panel and voltmeters / ammeters.
- 24v DC monitoring and main circuit breaker panel.
- Indirect lighting under valances in solon, staterooms plot house, galley.
- 24v lights throughout.
- Bonded electrical system with grounding plates.
- AC/DC transformer for DC lights.
- Search lights (2 x ACR100 remote and 1 x ACR 600 remote)
- Lightning conductor.
- Anode protection.
- Hard wire computer network to cabins, saloon, pilot house etc.
- Illuminated name signs.

Raised Pilothouse

- Dashboard with all instruments for main engines control.
- Windshield wipers and washers.
- Leather Helm Chair.
- Boat indicator panel.
- Air conditioning.
- Walls & furniture in camphor wood.
- Ceiling in Alcantatra.

- Stainless steel steering wheel with inset wood frames.
- Hydraulic power steering.
- Twin Disc EC250 engine controls (3 stations).
- Sofa set with table.
- Chart table.
- Electrical panel.

- Navigation package see separate entry.
- Sony 17 LCD screen / PC connected to onboard network.
- Access to port & starboard watertight doors to side deck.

Aft Deck

- Teak planks on aft deck and swim platform deck
- Escape deck hatch for accessing aft accommodation
- FRP setas with Sunbrella cushion and hi / lo teak table
- Nilsson vertical capstan VC2200 / DC24v chromed one each side for mooring
- Hydraulic telescopic stern gangway (Bezonzoni)
- Built in shower with warm / cold water above the platform
- Built in stair to swim platform

- Hinged swim ladder
- Wing station for engine controls and bow thruster controls
- (5) 2 stainless steel removable U rails surround swim platform
- Spiral staircase in stainless steel from aft deck to fly bridge
- BBQ Grill
- Stowage
- Entrance to Salon via curved (auto) stainless steel power door

Other equipment

- Marine Air cooling / heating reverse type air conditioning system
- 150,000 BTU in total output throughout
- Wiring for phone / intercom at P/H. Salon, Galley and each cabin
- Navigation lights
- Five underwater lights at transom
- Simrad autopilot (Pilot House and Boat Deck)
- Rule Danforth magnetic compass 5 in P/H and F/B
- Dual station VDO depth sounder / speed log
- Dual station VDO rudder angle indicators
- Electric fuel and water tank gauges

- Delta T Fans to Engine Room
- Teak Capping rail
- (4) Sides access gates
- Picture Globe in lower lobby
- Flo Scan Fuel management system
- VIP cabin aft wall to Curved
- Stainless Steel bathing Platform Rails
- Hot Water Loop
- Upgraded Rub Rail
- Upgraded Cable master
- Electronic Ocean Air Screen with remote control to VIP

- Automatic fire extinguisher system with alarm for engine room
- Emergency steering tiller
- Cover for front windows
- Dock lines (1 x 50m x 4)
- International bottom paint with 3 layer gel shield
- ZINCS
- Vimar power points and switches throughout
- Aft deck table with teak table top and hi lo adjustable legs
- Marble with stainless steel; strips for galley and bathroom floors
- Marble on walls of bathrooms for owners, vip and guest cabins
- Dumb waiter from solon to fly bridge
- Cradle & Pad eyes for tender and jet ski
- Teak on main deck and fly bridge
- Teak and holly flooring on all inside accommodation
- CCTV camera x 4 (scan tilt for e/r) distributed to TV system
- Stainless steel hawsers with rollers for aft deck
- Twin Racors for main engines and gensets
- Forward chain locker bulk head to be crash watertight
- Construction to BV (Bureau Veritas) quality control
- Naid Stabilizers
- Side power electric stern thruster 20hp
- HPS hydraulic bow thruster 36hp
- Stainless steel guardrail at bathing platform
- Rope cutter on shafts
- Expanded exterior lights
- Engine driven fire pump with emergency bilge pumping out feature
- Illuminated name signs
- Onan Generator upgrades
- Supply / Install / Engrave Ships Bell
- Upgrade to Stainless Steel Oval Handrail
- Trim Tabs
- Central vacuum system (Nuton unit with 7 outlets)
- CCTV
- Kalenburg Air Horns (Tri trumpet) with electronic auto control
- Xantrex SE4024 inverters (2)
- Spa Fly Bridge
- Icom IC602 VHF (2)
- ACR RC100 Searchlights (2) with remote pads
- ACR 600 Searchlight with remote pad
- Furuno LH300 Loud Hailers (2)
- Stand alone Furuno GPS32
- Furuno Navtex NX-300 (2).
- Furuno RD30 Displays (2)
- Yamaha Home Theatre System for Salon with Ipod dock to Salon
- Shakespeare 5524 antennas x 2
- Yamaha Jet Ski VX-110A
- Kitchen Aid S/S Oven
- Kitchen Aid S/S Trash Compactor
- Kitchen Aid S/S Dishwasher
- Kitchen Aid Wine refrigerator
- Kitchen Aid cooktop
- SubZero 2387269 TS 5320348 refrigerator
- Shakespeare 4187 mounts (2)
- Kitchen Aid Espresso Coffee machine
- Jenn Air outside BBQ Grill
- Maytag Stack washer / dryer MLE2000
- Panasonic TXTA824 Telephone System

- Sea Recovery water maker (800 gpd)
- Smoke detection system
- No polyester filler below water line
- Stainless steel 200 liters lube oil tank
- Non return valve for bilge pump discharge.
- Pop up cleats on swim platform
- Larger style lights aft deck
- New style air con control panel Vimar
- Shower on fly bridge
- Standard speakers for public areas (2 Aft Deck / 4 fly bridge)
- Outside cushions sunbrella not vinyl
- Marble around salon bar floor
- Larger style bathing platform rails
- Hydraulic fold down garage door
- Hot tub on fly bridge
- (3) S/S Candy Twist Bar stools in salon
- Island bar with cabinets in galley
- Larger style breather vents for tanks stainless steel
- Ring at top of stainless steel posts aft deck
- FRP box insert into aft deck for storage of boarding ladder
- Ice Box aft deck and fly bridge
- Pull out pantry
- FWD from lobby to galley
- Crown molding in salon and master
- Stainless steel covers for exhaust pipes engine rooms
- Aft door to salon curved / motorized auto control
- Marine Air Chilled water with new type digital control
- Bow seats with cushions
- Marble on nightstands (guests cabins)
-

- Panasonic KXTVS50 Voicemail system
- Panasonic System telephones & call point (aft deck)
- Profile S/S Microwave JVM3670SK
- Kitchen Aid Power Blender
- Fill Rite Gas Meter
- Sony Bravia KDL-32S2010 HD LCD Television (2)
- Sony Bravia KDL-23S2010 LCD Television (4)
- Sony Bravia KDL-46XBR3 46 HD Flat Panel Television (Salon)
- Samsung LN-S2341W LCD Televisions (Crew quarters) (3)
- HDMI Cables for televisions (9)
- Flush mounts for televisions
- Navigation package (see separate list)
- Kaleidescape state of the art entertainment package all guest
- cabins / salon with movie players and music zones
- Teks cooker hood (Crew)
- Whirlpool microwave (crew)
- Toshiba refrigerator (crew)
- Chubb safe
- Leather Helm seats (4)
- Sunbrella fabric for cushions
- Custom dining chairs and Custom bathroom fittings
- Spot Free
- Remote for Ocean Air Screen
- Viking 8 man (canister) self righting life rafts (2)
- Chain counters for both winches
- Sony VGCLS21N computer
- Onboard Computer network for Kaleidescape system / computers connected
- to Internet access point

Larger rectangular portholes.

- Marble floor in foyer at lower deck
- Escape hatch for master cabin and guest cabins
- 3 red ceiling lights in P/h
- Drop down ceiling design over bar in salon
- Upgrade Engine beds to polished stainless steel

Electronics

- 1964CBB Furuno NavNet vx2 Black Box 25kw radar with 30 metre cable and ancillaries
- Furuno NavNet vx2 XN13A/6
- 6 open array for Radar Tower)
- 1944C Furuno NavNet vx2 6kw radar with 4 open array 10.4 inch display
- (Flybridge) 30 meter cable
- GP1920C 10.4 Color GPS/WAAS Chart Plotters
- (1 at Pilothouse and 1 on Flybridge)
- ARP-11 pg Automatic radar plotting fitted
- PG 500 heading sensors (package)
- PAL Board NTSC/PAL Video Board for NavNet vx2 system
- Fax 30 Weather Fax /Navtex for NavNet vx2
- Fax 5 Coupler and Whip 2m whip antenna
- ETR-6 / 10N Network Echo Sounder for NavNet vx2
- 00015171 Bronze through hull transducer for NavNet vx2
- AIS Receiver with suitable antenna and F1150 Furuno Interface for AIS to NavNet
- Simrad AP5002 Auto Pilot System
- RC25 rate compass, RPU-80 Hydraulic pump & rf 45x rugged rudder feedback unit.
- AP5002 Auto Pilot Control Unit for Flybridge (2nd Station)
- KVH Tacvision M7 with gyro trac display and two card style compass readouts (1 for Flybridge and pilothouse)
- KVH M7 Dummy dome with logos (fit inside KVH Sat Phone)
- EPRIB McMurdo Smartfind Plus/G5 406 GPS MHz EPIRB (with SOLAS approved auto deploy housing)
- ACR RCL 600 Searchlight (2 station i.e. with two control panels)
- Furuno 8 port Ethernet hub assembly
- Misc Furuno NavNet hub cables etc
- Furuno PB100 Weather System sensor (Nmea windspeed and direction, barometer, air temp) with 2 Furuno RD30 displays (1 for Flybridge and 1 for pilothouse) together with wind speed / direction / barometer / air temp

- Suitable high power junction unit
